

TESTIMONIAL

I have to share how grateful our whole family was to have received the tender-loving care for my mother and my mother-in-law from Inspired Senior Living Options.

Our moms felt so comfortable and safe with the smooth and consistent schedule you delivered for their every need.

Without the reassuring physical and emotional support from Inspired we would have been lost.

Thank you for being by our side every step of the way with very professional service!

It takes extra special people to do the work you do!

ABOUT US

Scott Dennis was first introduced to homecare when his mother was diagnosed with Alzheimer's disease in 1994.

Disappointed with the different homecare options that were available, Scott and his sisters opened up their own company with a single goal: provide the same quality, affordable, and personal homecare they wanted for their own mother. Inspired Senior Living Options, a referral agency, represents his family's twenty year commitment to their clients and the families who love them.

Prior to Scott's work in homecare he was a deputy sheriff. Scott graduated from Sonoma State with a degree in psychology with a focus on gerontology.
